DEFENDANTS' MOTION FOR SUMMARY JUDGMENT

Defendants, City of Montgomery; Bobby Bright, Mayor; Arthur Baylor, Chief of Police, pursuant to Rule 56 of the *Federal Rules of Civil Procedure*, by and through the undersigned attorney, move the Court for summary judgment as the facts and law of this case show that there is no genuine issue as to any material fact and that as moving party it is entitled to judgment as a matter of law. In support of the Motion for Summary Judgment, Defendants rely on the Pleadings and Plaintiff's Answers and Responses to Discovery and Defendants' Memorandum of Law in Support of Summary Judgment with the following evidentiary submissions attached thereto:

DX 1, EEOC Charge for Plaintiff

DX 2, Right to sue letter

DX 3, Letter from Montgomery Psychiatry Associates

DX 4, Letter from American Behavioral

DX 5, Letter from Park Place Psychiatry

DX 6, Request for admissions Plaintiff

DX7, Deposition of Kevin Murphy

DX 8, Deposition of Art Baylor

DX 9, Deposition of Bobby Bright

DX 10, Deposition of John Carnell.

Plaintiff filed a Three count complaint listing three causes of action violation and retaliation of ADA, Violation and retaliation under Title VII and violation and retaliation under FMLA.

Plaintiff in this case was police officer with the Montgomery Police Department in December of 2005, when she attempted to take her own life by ingesting over the counter sleeping pills. While recovering the Plaintiff was placed on FMLA leave. After returning to work Plaintiff was placed in a light duty position on the back desk of Police headquarters and an investigation into her conduct was ordered by the Division head of the Montgomery Police Department. After the investigation was concluded, the Division Commander, Kevin Murphy, recommended that Plaintiff be terminated for violating two rules of the Montgomery Police Department Handbook. Duty to remain fit and Duties of responsible employment. These charges were forwarded to the Chief of Police who then convened a trial board to hear both sides, the trial board sustained the charge of Duties of responsible employment but did not sustain the Duty to remain fit. The recommendation of the trial board was sent to the Chief who then conducted a hearing of his own. Evidence was again presented and the Chief ruled to uphold the trial board as to the Duties of responsible employment and overturn the trial board and reinstate the Duty to remain fit charge. Both of these charges were forwarded to the Mayor's office where a

hearing was conducted by the Executive Assistant to the Mayor Michael Briddell. At the conclusion of the hearing the Mayor terminated the Plaintiff based on the charges brought by the Montgomery Police Department and the possible exposure to liability should the Plaintiff be allowed to remain employed with the City of Montgomery.

Conclusory allegations cannot interpose genuine issues of material fact into the litigation so as to preclude entry of summary judgment. Fed.Rules Civ.Proc.Rule 56(c). Defendants' Motion for Summary Judgment is due to be granted.

Submitted this the 12th day of August, 2008.

1. I am a female and I was hired by the City of Montgomery as a police officer on February 15, 2002.
2. As a police officer, during my training I was assigned to third shift patrol. When I completed my training and became a senior Officer, I was assigned to my own route. I was promoted to Corporal in February 2005. I have been qualified for the Corporal position since my promotion in February 2005, and remain qualified for this position today.
3. In December 2005, I attempted suicide. I am a person with a disability as defined by the Americans with Disabilities Act. I have been diagnosed with major depression and sleep deprivation which resulted in part from my depression. *Inter alia*, I am limited in the major life activities of concentrating, sleeping, and communicating with others. I have a history of disability, and was perceived by the Respondent as disabled. I am qualified to perform the essential functions of my job and other positions, with or without reasonable accommodations.
4. Respondent meets the definition of an "employer" as defined by the Americans with Disabilities Act.

5. After receiving treatment in January 2006, I returned to work shortly thereafter. The Respondent sent me to a doctor for an evaluation. I was released to return to work to my former position by this doctor as well as my own personal doctors. Despite having been cleared to work by several doctors, I was placed in a desk position, rather than in my patrol position.
6. Even though I was able to perform this new position, the Respondent believed I was unfit for duty because of my prior suicide attempt and began proceedings to determine whether I was fit for duty.
7. On May 9, 2006, my employment with the Respondent was terminated. The reasons offered for my termination were (1) that I was not fit for duty and (2) that I engaged in activities which may reflect on the integrity, competency, or ability of the individual to perform his duty, or may reflect negatively on the reputation of the police department. I was told that if the public had found out about my suicide attempt, the public would not think that I should continue to be employed as a police officer. Both my personal doctor and the one the City sent me to found that I was fit for duty. Upon information and belief, male police officers who have suffered from mental health issues have not been terminated.
9. I have been intentionally denied employment opportunities because of my disability, my record of disability, and because I am perceived as disabled.
10. I believe that my termination is because of my gender, female, and because of my disability, history of disability, and the Respondent's perception of me as an individual with a disability.
11. As the result of the above actions, including Respondent's malicious termination of my employment, I have suffered harm, have been injured, and, *inter alia*, have been denied wages, benefits, and an opportunity to pursue gainful employment. As a result, I am entitled to back-pay as well as compensatory and punitive damages, and attorneys' fees and costs. I have also suffered mental distress and hardship.

I declare under penalty of perjury that the foregoing is true and correct.

RE: Candida Stokes, 1/3/72, 420-82-6111

The purpose of this memo is to advise that my professional opinion is that Candida Stokes is fit for duty as a police officer with the Montgomery Police Department. I have had the occasion to read Dr. Schaffer's letter of recommendation and so will not go into the amount of detail he alluded to.

Candida began counseling with Cathy Boland Jones approximately 3 years on and off prior to her suicide attempt. Her daughter was counseled by Sharon Bell as well. Since her suicide attempt she has continued counseling on a weekly basis. I have experienced her as being honest with her thoughts and feelings which have been consistent with her affect. She has displayed positive behavioral changes as well as a desire to learn better coping skills. The stresses she had been under including personal relationships, the death of her mother, the Christmas season and sleep deprivation all played a part in her spiraling further into depression which culminated in her suicide attempt.

Candida is now more clear-minded and goal oriented. She denies any suicidal ideation. I do not feel she is a threat to herself or others. I trust her judgment and feel secure in her personal insight.

I would like to take this opportunity to clarify what I believe to be a miscommunication that occurred regarding Candida Stokes. I had a telephone conversation on February 3rd with John Carnell regarding my concern for Candida's reaction to the possibility that she could lose her job. I realize now that I may have miscommunicated that I believed Candida was mentally unstable on that day. That was not the case. I had seen Candida for a limited amount of time and I did not know how she might react to the possible news of the loss of her job. I am ethically responsible for my client as a Licensed Professional Counselor and felt the need to assure her safety. I apologize for any misunderstanding or inconvenience this may have caused the department.

In summation, I reiterate my opinion that I believe Candida Stokes to be fit for any and all duties as a police officer. However, I would like to suggest that you consider another shift due to the sleep deprivation is causes Candida as a single mother.

If I can be of any further service, please do not hesitate to give me a call at 396-9323.

RE: Fitness for Duty Evaluation of Candida Stokes

Dear Mr. Carnell:

On December 19, 2005, Candida Stokes (DOB 01/03/72; SS# 420-82-6111) attempted suicide. John Carnell of Risk Management for the City of Montgomery requested that I perform a fitness-for-duty evaluation on Ms. Stokes.

Ms. Stokes arrived on time for her evaluation. She was well groomed, appropriately dressed, and appeared to be in good health. She was cooperative with the evaluation and forthright in her reporting of her suicide attempt. She maintained good eye contact. Her speech was of regular rate, rhythm, volume, and inflection. She was understandably worried about the fate of her job but remained calm and collected. She admitted being anxious about keeping her job but otherwise reported that her mood was stable and she was not feeling depressed. The affect I observed in her was congruent with her reported mood. It was of normal breadth and was appropriate. She was alert and fully oriented. Her thought process was logical and goal directed. She denied having thoughts of harming herself or others. I felt her judgement and insight were good.

She told me that she took 150 tablets of Tylenol-PM. As a police officer she was well aware that this was a lethal dose of Tylenol if not treated. Her attempt failed because a friend went to her house and found her in time to get her the emergency medical treatment she needed. She was taken to Baptist Hospital's emergency room and then admitted to it's intensive care unit where she spent five days. She was transferred from the intensive care unit to the inpatient unit of Baptist Hospital's Meadhaven Psychiatric facility where she spent an additional two days under the care of Dr. Harwood. He discharged her from Meadhaven's inpatient unit and admitted her to Meadhaven's Partial Hospital Program. Dr. Harwood discharged her from the partial hospital program after she had attended for ten days. Since then she has been seeing Linda Holmberg for counseling.

Based on my fitness for duty evaluation of Ms. Stokes and my prior knowledge of her as a patient, it is my professional opinion that she is fit to return to duty. I based my opinion on a review of the stresses she was under at the time of her suicide attempt and her ability to cope since then. 2
E

At the time of her suicide attempt Ms. Stokes was under extreme stress. She went through the stress of a divorce a couple of years ago. A little over six month before her overdose, on May 29, 2005, her mother passed away. Her mother's death coupled with the responsibilities of being a single mother put her under a great deal of stress. She lacks any family members to provide her with support. The only close relative she has is a sister who is not of any help. She has a thirteen year old daughter that she is raising by herself. Tremendous demands were made on her as she strove to holding down a full-time job and raising a daughter without any help.

A very important consideration at the time of her overdose was the chronic sleep deprivation she was experiencing. She reported that she had gone from third shift to first shift, then second shift, and finally back to third shift. Third shift starts at 10:00 PM and lasts until 7:00 AM. She would get off her shift and return home just in time to take her daughter to school. She would return home and attempt to get some sleep before it was time to pick her daughter up from school. She would then attempt to get some additional sleep. In general, she had a short period of time in which to get her sleep and even that time was sporadic. She spent the last part of the day before returning to work cooking dinner and caring for her daughter. At the time of her suicide attempt she was chronically sleep deprived, exhausted, and overwhelmed.

When I evaluated Ms. Stokes she had over two months to consider the factors and stressors that lead up to her overdose. I asked her why she felt she was not at risk of making another suicide attempt. She indicated that during tis period of time she gained a better understanding of herself and her problems. She firmly believes she learned valuable coping skills from the therapy she received during this period. She learned through therapy ways to better manage her time. She has had time to consider the impact that her suicide would have had on her daughter. Ms. Stokes currently remains in therapy. In spite of the seriousness of her overdose, I feel she is mentally and emotionally fit to return to her duties as a police officer. I strongly believe that chronic sleep deprivation and both mental and physical exhaustion were major factors leading to her attempted suicide.

Once again, it is my professional opinion that she is fit to all duties as a police officer. Please call me if you have any further questions. We do not discuss patients without prior authorization; therefore, please be sure to identify yourself and indicate you wish to speak to me regarding Ms. Stokes.

Sincerely,

David D. Schaffer, D.O., Ph.D.

6 Q. A concern maybe that she
7 wasn't stable enough to do her job?

8 A. Yes, ma'am.

9 Q. Were you concerned or was he
10 concerned or did he convey that he was
11 concerned that her depression really might
12 interfere with her ability to use good
13 judgment or her -- I guess mental status
14 might interfere with her ability to use good
15 judgment?

16 A. No, ma'am. He never said
17 that.

18 Q. Okay. What did he say?

19 A. What I previously stated, that
20 because she attempted to take her own life,
21 she posed the risk and a liability to the
22 city and to the officers and to the public.

23 Q. Okay. And my understanding is

FREEDOM COURT REPORTING

61

1 your thought -- or his thought was that even
2 a slight risk would be too much of a risk?

3 A. Mr. Carnell never used that
4 word, slight. He just said risk.

5 Q. Some risk. Because there was
6 no way to know that she might try it again,
7 just that there was a possibility she might
8 try to commit suicide again?

9 A. I'm sorry. I don't understand
10 your question.

11 Q. My understanding is that
12 Mr. Carnell indicated that -- Of course,
13 nobody knows whether Ms. Stokes would try to
14 commit suicide, but there was the fear that
15 she might try to commit suicide again, and
16 that that made her the risk and liability?

17 A. You will have to ask
18 Mr. Carnell that question. I don't know how
19 he would answer that.

20 Q. What was your concern?

21 A. In as much as what? My
22 concern of what?

23 Q. About Ms. Stokes being a

FREEDOM COURT REPORTING

62

1 liability or risk. You said you also had
2 the concern, what was your concern?

3 A. I felt that she posed a risk
4 to her fellow officers and to the public
5 because she had tried to take her own life.

6 Q. And what was the risk? I
7 guess that's what I'm trying to get at, what
8 was the risk?

9 MR. BOYLE: Object to the
10 form. Go ahead.

11 A. If she were to find herself in
12 a dangerous situation, or a life-or-death
13 encounter, that she might not act
14 appropriately.

15 Q. Like give me an example.

16 A. Faced with a deadly force
17 encounter, and she wanted to end her life,
18 she would allow herself to get shot and
19 killed.

20 Q. I see.

21 A. And if she had a partner, an
22 officer with her, they haven't made that
23 choice, and they very well may get killed

FREEDOM COURT REPORTING

117

1 A. I'm not on here.

2 Q. Do you know who made the
3 decision to place, and this is January 26th,
4 27th, to place Deputy Stokes on
5 administrative leave?

6 A. No, ma'am, I don't.

7 Q. You didn't make the decision
8 to put her on administrative leave?

9 A. No, ma'am.

10 Q. When did you make the decision
11 to recommend termination? Was it right
12 after she attempted suicide?

13 A. Oh, no. When I read the
14 investigative file and drew up the papers
15 for charges and specifications, that's when
16 I made my determination.

17 Q. Okay. All right. And I'm
18 assuming that it was based on the liability
19 issues that factored into it?

20 A. The facts and evidence in the
21 file.

22 Q. Okay.

23 A. Not just the liability, but

FREEDOM COURT REPORTING

118

1 the act, itself, the conduct was also a
2 factor.

3 Q. Right. But the act, itself --
4 I mean, what I'm hearing about the act
5 itself, is the act itself really raises the
6 issue of the risk and the potential
7 liability meaning she couldn't perform her
8 job?

9 A. It is a consequence of the
10 act.

11 Q. Okay. Do you remember when
12 Deputy Stokes returned to work?

13 A. Not exactly, no, ma'am.
14 When you say returned to
15 work --

16 Q. Returned to employment of some
17 sort with the city.

18 A. I don't specifically.

19 Q. Who made the decision to put
20 her on the back desk?

21 A. I spoke to the chief about it,
22 and we decided that she should be on
23 administrative duties until further notice.

1 say, no, I didn't testify to that.

2 Q. Right.

3 A. What I was looking at the
4 public safety.

5 Q. Right. Public safety
6 whether she was potential risk --
7 whether she was potentially dangerous;
8 right?

9 A. Public safety concerns of --
10 for the citizens, for the officers, and
11 then for the officer herself.

12 Q. So again, as I looked at the
13 paperwork, and I understand you didn't
14 testify, but you had some concerns that
15 there might be a risk of injury or
16 safety to the citizens or the other
17 police officers if she came back after
18 she attempted to commit suicide?

19 A. Yes.

20 Q. Kind of a nutshell; right?

21 A. Yes, ma'am.

22 Q. And ultimately as I read the
23 paper, it was determined that since the

FREEDOM COURT REPORTING

81

1 city couldn't rule out a potential risk
2 that she might be a safety risk or
3 injure citizens or other police
4 officers, the decision was made not to
5 bring her back?

6 A. Not -- I think she was
7 there. She was dismissed.

8 Q. Right. She was not allowed
9 to come back as a patrol officer. The
10 decision was made that she should be
11 dismissed because the city felt that it
12 couldn't rule out the possibility of a
13 risk that she might either injure
14 citizens or injure other police
15 officers?

16 A. I think what we dismissed
17 her on was the two charges that were
18 brought against her due to remain fit,
19 rules and regulations of policies and
20 procedures and duties of responsible
21 employment, that's why she was
22 terminated.

23 Q. I understand that. But in

FREEDOM COURT REPORTING

82

1 looking at the testimony and especially
2 Mr. Carnell's testimony, what -- what it
3 looks like is that the reason that
4 she -- ultimately the reason she was
5 found -- I mean, kind of bottom line the
6 rule, the reason that she was terminated
7 was because there was -- there continued
8 to be that safety risk or harm?

9 MR. BOYLE: Object to the
10 form.

11 A. Again, I can answer it the
12 best way I know how to. Due to the
13 public safety concern for the citizens,
14 for the officers, for fellow officers
15 and then for the officer herself. And
16 she was charged with under the rules and
17 regulations that we all supposedly
18 follow or have to follow and she
19 violated that.

20 Q. Did the city have any
21 evidence that she was not capable of
22 returning to her job, that she actually,
23 in fact, wasn't capable of returning to

FREEDOM COURT REPORTING

1 A. Where are you? I'm not
2 sure.

3 Q. I'm sorry. Page 10.

4 A. Where?

5 Q. About -- almost half of the
6 way down. Right here (indicated).

7 A. This one?

8 Q. No. Right there
9 (indicated).

10 A. Okay. What about it?

11 Q. Well, I'm asking -- you've
12 read that; correct?

13 A. Yes, ma'am, just read it.

14 Q. And my understanding is you
15 two had such -- had a similar concern;
16 is that right?

17 A. About the public safety,
18 yes.

19 Q. What did you think she might
20 do?

21 MR. BOYLE: Object to the
22 form.

23 A. What?

FREEDOM COURT REPORTING

200

1 Q. What did you think she might
2 do that --

3 A. She already tried to kill
4 herself. And if she tried that again
5 and she had a partner or a citizen out
6 there and didn't respond, that would be
7 a problem, a public safety issue.

8 Q. So you're saying that if she
9 killed herself while on duty, then she
10 couldn't respond?

11 A. Right. And leaves her
12 partner also or her back-up or if she
13 was a back-up, it creates a public
14 service -- a public safety concern.

15 Q. What were some other -- what
16 were some other safety concerns?

17 A. Like I said earlier, for
18 the -- other citizens, other officers,
19 and for herself also.

20 Q. Right. I'm just trying to
21 figure out what -- other than attempting
22 to kill herself while on duty, any other
23 concerns that you thought?

FREEDOM COURT REPORTING

201

1 A. Just what I just said, that
2 she wouldn't -- if she didn't do her
3 job, like she tried to kill herself,
4 that would put other people in harm's
5 way.

6 Q. Now, Mr. Carnell essentially
7 testifies that he didn't think that Ms.
8 or that Deputy Stokes was really capable
9 of coming back and performing her job
10 duties and sounds like you essentially
11 don't disagree with that, am I right?

12 A. As far as I'm concerned?

13 Q. Yes.

14 A. I don't know what John
15 Carnell thinks, but what I think is no.
16 From the act that she committed, there
17 is a problem with that act, yes,
18 ma'am.

19 Q. And that would interfere --
20 that would really mean she couldn't
21 satisfactorily perform her job duties?

22 A. I see a problem with the act
23 that she committed, yes, ma'am.

FREEDOM COURT REPORTING

202

1 Q. Right. But the act she
2 committed and the safety concerns
3 associated with it, meant that you
4 basically thought there was enough of a
5 concern that she couldn't perform her
6 job duties?

7 A. She committed an act that in
8 my opinion created a public safety
9 concern and so that's why I recommended
10 dismissal.

11 Q. And her -- but I'm assuming
12 if you thought that she could
13 successfully complete her job duties,
14 you wouldn't have recommended dismissal?
15 If you thought she could have come back
16 and safely performed her job duties, you
17 wouldn't have recommended that she be
18 dismissed, I'm assuming?

19 MR. BOYLE: Object to the
20 form.

21 Q. Am I right?

22 A. We go by the rules and
23 regulations of the police department and

FREEDOM COURT REPORTING

204

1 Police Department's rules and
2 regulations and I felt she should be
3 dismissed.

4 Q. Well, did you think she
5 could safely perform her job or not?

6 A. I'm -- I think what she did
7 created a problem and violated the rules
8 of the police department, period.
9 That -- I mean, that's it. That's what
10 she did. Once you violate the rules of
11 the police department, we go by that.
12 We go by your violation of the rules of
13 the police department.

14 Q. But my question to you is
15 and I'm entitled to an answer on this.
16 Please bumblebee it. Do you think that
17 she could have safely performed her job
18 when you recommended her termination or
19 not?

20 A. Okay. For the fourth time,
21 my answer is --

22 Q. I need a yes or no. Do you
23 think she could have safely performed

11 A. Okay.

12 Q. You didn't know if she could

14 appropriate for the Montgomery Police; is

16 MR. BOYLE: Object to the

18 A. Not with the fact that she
19 acted out her depression. That's the bottom
20 line here, I think, more than anything. I
21 think bottom line is, had she not taken
22 that, I think, the extreme step, the

19 Q. Okay. So maybe she wasn't on

4 Q. Okay. What was your
5 understanding as to why she was terminated?

6 A. Because of the incident of

13 A. Not to my knowledge.

14 Q. Okay. What were your concerns
15 about liability?

16 A. As a risk manager, I was
17 concerned about liability if something
18 happened out on the streets that was
19 involving Candida Stokes, that it would
20 present a liability to the City because of
21 the history she had.

22 Q. Okay. Why would -- Strike

8 federal law, decisions regarding a person's
9 ability to work have to be made on objective

13 A. No, I'm not.

14 Q. Okay. And then -- Okay. You
15 indicate down here, halfway down the page,
16 that if you didn't have concerns about
17 liability, you would not have forwarded her
18 for a fitness-for-duty evaluation.

19 A. Uh-huh.

21 A. Yes. Yes. I'm sorry.

22 Q. Again, I guess what I have to
